SECOND SUNDAY IN ORDINARY TIME

January 14, 2018

What is Ordinary Time?

Beside the times of the year that have their own distinctive character like Advent and Christmas, Lent and Easter, there remains in the yearly cycle 33 or 34 weeks in which no particular aspect of the mystery of Christ is celebrated, but rather the mystery of Christ itself is honored in its fullness, especially on Sundays. This period is known as Ordinary Time. However, Ordinary Time is not very ordinary at all. In Ordinary Time, the celebration of Sunday is the identifying mark of the Christian community which comes together, remembering that on this first day of the week our Lord was raised up and creation came at last to completion. Sunday is a day of redeemed time. How we live Sunday proclaims to the world what we believe about redeemed time now and forever. What happens in our churches every Sunday is the fruit of our week.

This is not ordinary at all. This is the fabric of Christian living.
